## SPIRIT OF PROPHECY

The purpose for Ellen White, is that God wants to highlight, He wants to correct us who go astray from Bible truth. He wants to amplify, He wants to simplify what we find in scripture. Ellen White does not supplement the Bible, she compliments the bible, she highlights the things that are important to us in these last days. Therefore, the Spirit of Prophecy is to bring people back to the light that we find in the Scripture. Will you engage yourself in the study of the testimonies?

## HEALTH

Changes in gut microbiome may increase blood pressure. In mouse experiments, researchers have found a high-salt diet leads to depletion of a species of *Lactobacillus* in the gut, which in turn increases particular lymphocytes that [result in a rise in blood pressure](#) (and type 2 diabetes and atherosclerosis). Supplementation of the mouse diet with the depleted species of lactobacilli reversed these changes. A small study of salt-sensitive humans found similar results. PositiveTip: Carefully controlling sodium intake, especially when salt-sensitive, may help reduce hypertension. ([www.positivechoices.com](http://www.positivechoices.com))
